4. There are two floor panels that will drain your SP located at the east and west part of the horizontal bridge. (Not sure if this is part of the triggers though). There are two statues located at opposing ends as well that you will need to investigate.

4a. Since you are at the 3rd Ghostfire (5'o clock position), proceed to the east intersection and investigate both the panel and statue.

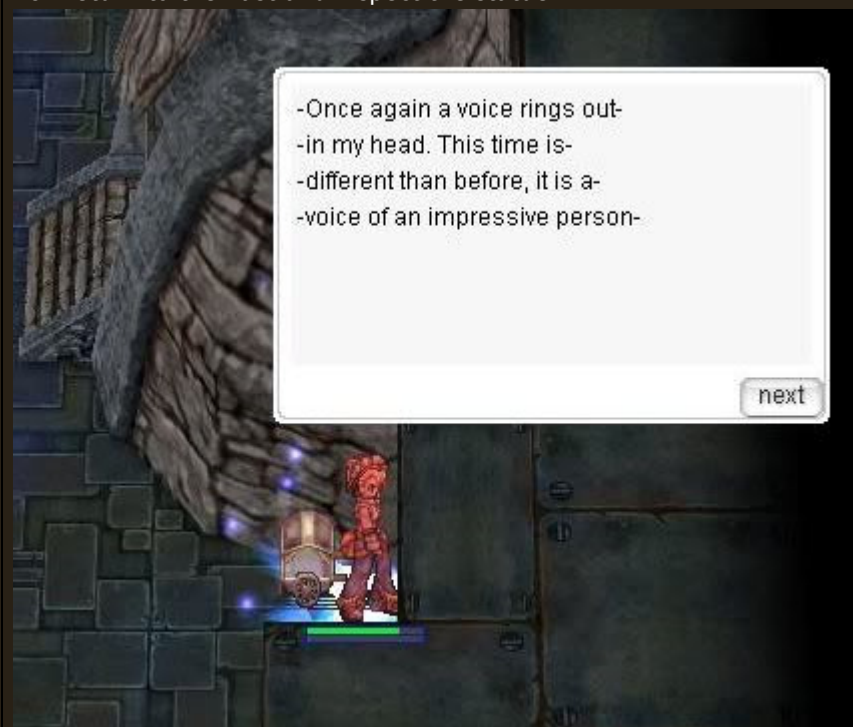

4b. Proceed to the west and investigate the panel and the statue

 Reduced: 81% of original size [ 785 x 483 ] - Click to view full image

4c. Return to the East and inspect the statue

4d. Head to the South to inspect the panel

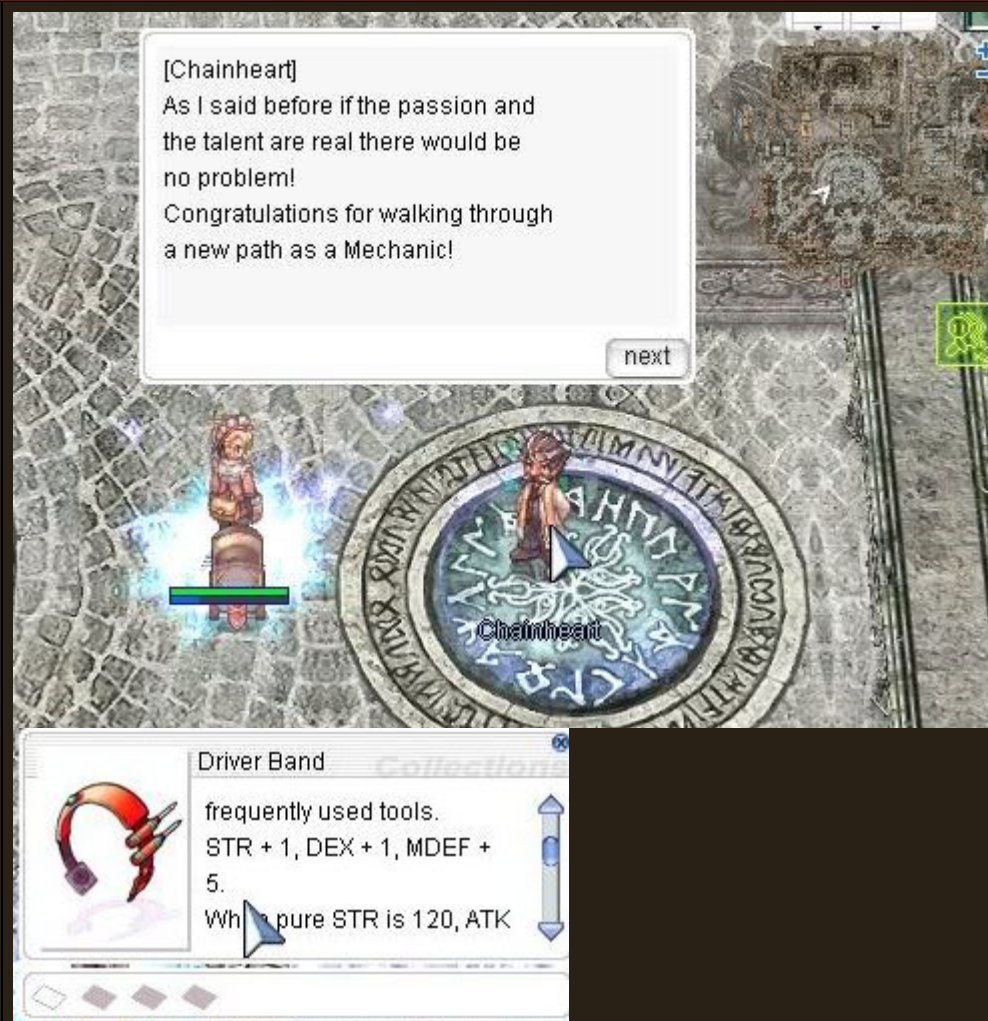

4e. Return to the 1st Ghostfire.

5. Return to Yuno/Juno and talk to Chainheart again to become a mechanic and also receive gifts.
